

Climate Science in Chelsea

An invitation to hear

Dr. Graeme Pearman

Internationally renowned climate scientist and former Chief of CSIRO's Atmospheric Research, Dr. Pearman is guest speaker at

Port Phillip Conservation Council Inc. Annual General Meeting

7.30 PM

Monday 22nd October

Long Beach Place Chelsea Community Centre

15 Chelsea Rd. Chelsea

(Melways Map 97 B1)

All Welcome

We've asked Dr. Pearman to speak on what might occur globally and locally at various temperature scenarios, climate 'tipping points'; how the insurance industry might deal with climate change; and how the climate science community has dealt with the challenges of getting its message heard.

Dr. Pearman's speech will precede the AGM and guests are invited to remain for the AGM and supper
